CUTICURA RESOLVENT.

THE NEW BLOOD-PURIFIER.

STORED, AND LIFE PROLONGED.

What are Skin- and Scalp-Diseases but the evidence of internal Humor ten times more difficult to reach and cure, which fluits is the blood and other fluids, destroying the delicate machinery of life and fliding the body with foul corruntions? What is Bling the body with four corruptions? What consumption but a gathering of inherited thumor on the lungs, which rots them? What are mental in firmities, idicey, and early instantly but hereditar. Poison choosing the brain because the weakest or gan? What rheumatism and gout but accumulations of Serofusa in the joints and fluids? What niceration of the liver, Bright's disease of the kid neys, diabetes, wasting and degeneration of the urinary organs, hemorrhoids, fedula, and other constitutional affections, but the evidence of a villate state of the blood, a weakness, a do bility of the vitalizing fluids, greater than can be thrown of unless assisted by medicine peculiarly adapted to the purpose?

PURIFY THE BLOOP.

ERADICATE THE VIRUS OF DISEASE BY

TREATMENT.

The Radical journal Berliner Zeitung has been confiscated for publishing a sharp at tack upon the Government. This is the first instance for many years of a non-Socialistic paper having been suppressed.

London, February 6.—A Paris dispatch states that the Budget Committee proposes a vote of credit of eight millions of francs for the construction of subterranean telegraph lines.

A Berlin dispatch says: "From the fact that Archduke Albrecht is to represent Austria at the twenty-fifth anniversary of the Czar's accession to the throne the German press considers that an agreement between Austria and Russia is going on. The Archduke is recognized as a friend of Russia."

Paris, February 6.—Several mere deaths have occurred among the wounded in the railway accident, and many others are expected.
